

**NOTICE FOR THE PRE-QUALIFICATION OF PROSPECTIVE BIDDERS & SITES
FOR THE DEVELOPMENT OF LARGE SCALE SOLAR PHOTOVOLTAIC PLANT
IN PENINSULAR MALAYSIA AND SABAH**

The Energy Commission of Malaysia (EC) intends to conduct a competitive bidding process to select developers/developers consortium for the development of Large Scale Solar Photovoltaic Plant (LSS) to be located in West Malaysia and Sabah. The plant will be connected to the distribution or transmission grid depending on its proposed capacity, and sell its energy to Tenaga Nasional Berhad (TNB) or Sabah Electricity Sdn Bhd (SESB) under a Power Purchase Agreement. The LSS capacity to be tendered will be from 1 to 50MW_{ac}, with a target aggregate capacity of 200MW_{ac} in Peninsular Malaysia and 50MW_{ac} in Sabah, which is expected to be commissioned in 2017 - 2018. EC will make available the information on the injection points for connection to the distribution or transmission grid. Only those proposals with shallow connection will be encouraged to avoid unnecessary delays in the project implementation as well as reducing the cost of the interconnection. However, an alternative site may be offered by the bidder for consideration subject to pre-qualification.

EC is pleased to invite applicants who have previous experience in implementing power or related projects, including project financing and operation of power plants or electrical installation, to participate in a pre-qualification process for both bidder and the proposed or offered site (if any) in accordance with the criteria set forth in the Request for Qualification (RFQ) document. In line with the existing Malaysian Government policy, foreign participation in a consortium shall not exceed 49%.

RFQ document is available for sale from 1 March 2016 to 8 March 2016 (9.00 am to 5.00 pm, except Saturday/Sunday) at the following address:

Address: Suruhanjaya Tenaga (Energy Commission)
No. 12, Jalan Tun Hussein,
Precint 2, 62100 Putrajaya.

Payment of RM500.00 for the purchase of the RFQ document shall be made to "Suruhanjaya Tenaga" in the form of bankers cheque only.

Interested applicants who wish to participate either on their own, or as a consortium leader, should submit their proposal as per the RFQ document to the EC at the above address no later than 25th March 2016.

Energy Commission,
12, Jalan Tun Hussein,
Precinct 2,
62100 Putrajaya, MALAYSIA.
