

ISMS Implementation Scope Statements – Examples

Submitted by (Name and Governing Agency) :			
No.	Scope Statements	Entities (List the names of entities or sub-entities that will be relevant to use this scope)	ICT Dependent? **
	i. The focus is on the key services or products covered in the scope statement. ii. The details can be covered in the associated ISMS documentation that needs to be produced. iii. Hence do not spend too much time in finessing the wording of the scope statement as it is the responsibility of the CNII Entity to do so.
