

**NOTICE FOR SECOND COMPETITIVE BIDDING PROGRAM FOR THE
DEVELOPMENT OF LARGE SCALE SOLAR PHOTOVOLTAIC PLANT (LSS) IN
PENINSULAR MALAYSIA AND SABAH/LABUAN**

**- REQUEST FOR PROPOSAL FOR SELECTION OF QUALIFIED DEVELOPERS &
SITES**

The Energy Commission of Malaysia (EC) intends to conduct a second competitive bidding process to select developers/developer consortia for the development of Large Scale Solar Photovoltaic Plant (LSS) to be located in Peninsular Malaysia and Sabah/Labuan. The plant will be connected to the grid and sell its energy to Tenaga Nasional Berhad (TNB) or Sabah Electricity Sdn. Bhd. (SESB) under a Solar Power Purchase Agreement. The LSS capacity to be tendered will be from 1 to 30MW_{ac}, with a target aggregate capacity of 360MW_{ac} in Peninsular Malaysia and 100MW_{ac} in Sabah/Labuan, which is expected to be commissioned in 2019 - 2020. EC will make available the information on the injection points for connection to the grid. Only those proposals with shallow connection will be encouraged to avoid unnecessary delays in the project implementation as well as reducing the cost of the interconnection. However, an alternative site may be offered by the bidder for consideration subject to the approval by the utility companies.

EC is pleased to invite companies or consortia who have previous experience in implementing power or related projects, including project financing and operation of power plants or electrical installation, to participate in the bidding process in accordance with the criteria set forth in the Request for Proposal (RFP) document. In line with the existing Malaysian Government policy, foreign participation in a consortium shall not exceed 49%.

RFP document will be available for sale from 20th February 2017 to 28th February 2017 (9.00 am to 5.00 pm, except Saturday or Sunday) at the following address:

EC Headquarter

Suruhanjaya Tenaga (Energy Commission)
No. 12, Jalan Tun Hussein,
Precint 2, 62100 Putrajaya.

EC Kota Kinabalu Regional Office

Suruhanjaya Tenaga (Energy Commission)
Tingkat 7, Wisma BSN Sabah,
Jalan Kemajuan, Karamuning
88000 Kota Kinabalu, Sabah

Payment of RM2,000.00 for the purchase of the RFP document shall be made to "Suruhanjaya Tenaga" in the form of banker's cheques only.

RFP document to be purchased by potential Bidders is not transferable to others.

Interested companies who wish to participate either on their own, or as a consortium, should submit their proposal as per the RFP document to the **EC Headquarter in Putrajaya only.**

The closing date for **the complete RFP submission will be before 5 pm on 1st August 2017.**

Energy Commission,
12, Jalan Tun Hussein,
Precinct 2,
62100 Putrajaya, MALAYSIA.
