THE ENERGY COMMISSION RECOGNISED AS OUTSTANDING GOVERNMENT PROCURER AT PFI ASIA BEST PRACTICE 2014

The Energy Commission of Malaysia received the PFI Asia Best Practice Citation in recognition of outstanding achievement and success in the category of Government Procurer in the region. The award was presented by the Chairman of Temasek Holdings and the Editor of PFI in an event held in Singapore on 3 June 2014.

The PFI Asia Best Practice 2014 citations recognise best practice for the Asian region's leading government procurer, private sector developer, top bond deal, infrastructure deal, power deal, public-private partnership deal and renewable deal.

The event is among a series of initiatives by IE Singapore in collaboration with PFI to drive the development, structuring, financing and execution of Asian infrastructure projects. PFI is the leading source of global project finance intelligence owned by Thomson Reuters while IE Singapore is a government agency responsible for developing Singapore's external economy.
